

WELCOME TO SUNSET SOUNDS!

Sunset Sounds is proud to partner with THE WILDERNESS SOCIETY in their efforts to protect CAPE YORK PENINSULA. Amazing places like Cape York are usually granted special protection, like World Heritage listing. We believe the Cape also deserves this kind of recognition. Why not support us to make this happen!

Volunteers from the Wilderness Society will be keeping Sunset Sounds clean – so give them a hand by putting your rubbish in the bin. You can also drop by the Wilderness Society tent to show your support. Sunset Sounds will give a donation on behalf of all our patrons to The Wilderness Society to help keep Cape York Peninsula safe.
